Dear Parent

During the course of the school year your child will take part in various activities involving cooking (and eating!) food. These activities may be directly linked with a topic eg recipes from the Second World War or connected with science work on healthy eating.

We are now advised to ask parents to inform us of any food allergies their child might have before he/she take part in any baking sessions.

Please fill in and return the form below as soon as possible.

Yours sincerely

Mrs S Marshall
Headteacher

Food allergies

My child has no food allergies

My child is allergic to:
(Please list below)
