

A place where every child has  
the chance to shine.

## Cowling Community Primary School Weekly Newsletter Friday 30th June 2017

Dear Parents and Carers,

This week Cowling Y5 and Y6 pupils joined forces with pupils from Cononley and Kildwick schools at High Adventure. The focus of the day was to help the children develop team working skills and also to see the benefit in being active. This is part of the Food for Life initiative which helps teach children about the benefits of healthy lifestyles. We were so lucky with the weather and the children worked brilliantly together.

Sadly as you know the weather swiftly turned this week and we were unable to run sports day. Fingers crossed for next Thursday at 1pm.

On Tuesday Sarah Golding from Cross Hills Library spoke to all our pupils about the Summer Holiday Reading Challenge. Children are asked to visit the library and read six books. The library reading challenge is always very popular with lots of children taking part. Please visit the library over the holidays if you can.

Wednesday saw our determined Y3 and Y4 rugby players braving the rain at Sandylands, Skipton where we competed in the rugby festival, playing five matches. Although the team was drenched they battled on and secured a fantastic second place. Well done to everyone who played and a huge thank you to everyone who helped transport the children to the event and cheered us on.

Yesterday, Year 3 children visited the Lancashire Science Festival at the University of Central Lancashire, Preston. This is the first time we have attended the event and Mrs Dawson was really impressed with our children's brilliant behaviour and enquiring minds. Thank you to everyone for setting their alarms and making it to school so early!

Next week we wish our Year 6 pupils who are transferring to South Craven in September good luck as they spend two days with their new classmates. At Cowling all our pupils will experience their new classes on Tuesday morning and we look forward to welcoming our new Reception intake. It is amazing how quickly they grow!

Thank you to everyone who has returned the school report acknowledgement slip and taken the time to write a comment. It is very much appreciated by the teachers and it is the partnership between home and school which ensures children make the most progress. If you have not yet returned your slip please send it in on Monday.

Class photo orders also need to be received by 3.30pm on Monday afternoon. Deposits for the Y5/6 Outward Bound Ullswater trip next year need to be received via School Money on Monday **otherwise we will assume your child is not joining the trip.**

With best wishes  
Susan Marshall  
(Headteacher)

## Lancashire Science Festival

## Congratulations to our Y3/4 rugby team

## Keep Reading!

We believe reading is the key to success at primary school and opens up new worlds to children. Cowling pupils are expected to read at least three times a week at home. Please sign your child's reading record. If your child does not read at home they will be asked to read in school.

## SATS papers online

All parents would benefit from seeing what is currently expected of Year 6 pupils nationally. Click on the links to view this year's tests.
