

Cowling Community Primary School

Supporting Excellence In Education

Aims and Vision

At Cowling Community Primary School our vision and ethos is that every child has a chance to shine and fulfil their own potential.

Our curriculum drivers are:

Enquiry - challenging all pupils, stimulating their imagination and natural curiosity to discover more.

Possibilities, - encouraging pupils to discover more about the world beyond their doorstep and raising aspirations.

Diversity - creating children who are respectful, caring and considerate to all.

Heritage - ensuring our children appreciate and care for their geographical and historical heritage.

Our aims:

Our school is an outward looking, inspirational, imaginative, exciting place to learn where children's natural curiosity is stimulated.

Our children become enthusiastic lifelong learners in a fun, safe and happy school environment.

Our children are motivated, forward thinking, aspirational pupils.

Our school strives for excellence, challenging all to achieve their potential.

Our children are healthy, confident and resilient individuals.

Our children are friendly, trustworthy, respectful, caring and considerate to all.

Our children value their historical and geographical heritage.
