

Cowling Community Primary School Weekly Newsletter Friday 3rd March

Dear Parents and Carers,

It has been a lovely week in school, with the appearance of so many comfortable/bedtime readers and book characters for yesterday's World Book Day. Thank you to all our families who supported the event which aims to promote a love of reading and stories. The teachers planned a range of activities which included Book Cafes, storytelling sessions and shared reading across classes. Thank you for your support.

The year 5 and year 6 netball team did a great job of representing the school at South Craven. They demonstrated great skill and sportsmanship. Thank you to Mrs Pease for escorting them to the event.

For the next 5 weeks, all children in Year 5 will be working in Class 4 for the majority of their lessons. They will continue to be registered in their normal classes and leave by the same exits and entrances.

From Monday, staff who are standing on the gate before and after school will only take messages regarding pick up and drop off arrangements. Please can parents, carers pass on any other messages through the office. This is to help us reduce congestion at the gates and make sure that the adults can ensure that the children get to their classroom door. Thank you for your cooperation with the matter.

It was lovely to see a dear friend of the school, Mr George Garland from Skipton Rotary Club, in assembly today. He was there to present certificates to all children that took part in the Rotary Club's writing competition. George told the children that the quality in their writing was fantastic and was very pleased to announce that Lavinia W came 5th in the whole of Craven. We are already looking forward to next year's competition.

With best wishes,
Kate Dawson
