

**KS2 Reading
2023/2024**

Teachers will select texts, a variety of fiction, non-fiction, poetry and rhyme when reading for pleasure to their classes or when delivering WCR sessions. Teachers will use VIPERS reading skills to ensure a breadth of reading skills are being taught. Teachers may select other texts than are mentioned on these lists based on the needs of their classes. It is the class teacher's responsibility to inform English leads.
