

Music Long Term Plan 2023-2024

At Cowling Community Primary School we want our children to be have the opportunity to perform and listen to a wide variety of music. We want them to be able to sing on their own as well as in a group with opportunities given during school shows and other occasions. We want our children to be confident in their use of a variety of tuned and untuned instruments and for them to be given the opportunity to perform their compositions.

The musical curriculum we follow is Charanga. The progression through the units reinforces the interrelated dimensions of music. With each new song we start with the foundation of pulse, then rhythm, then pitch, adding new dimensions as we progress through the curriculum. This helps to ensure an ever increasing spiral of musical learning whilst embedding previous knowledge and skills.
