Everyone has a chance to shine!

English: This term the children in **Class 3** will be learning how to write non-fiction texts and will produce their own persuasive poster/letter. They will also learn features and language used in information texts and newspaper reports, to link with the science and History. In Guided Reading the children will read a variety of texts with a focus on information and retrieval and reading fluency.

Religious Education:

What does it mean to be a Hindu in Britain today?

What can we learn from religions about what is right and wrong?

PE: Mondays, Thursdays and Fridays until

Tennis with Skipton Tennis Academy, Rugby with Skipton Rugby club, Athletics, Rounders

French: Conversational French

Tutti Frutti & Le Mateo

Science

Living things and their habitats Recognise that living things can be grouped in a variety of ways. Explore and use classification keys to help group, identify and name a variety of living things in their local and wider environment. Recognise that environments can change and that this sometimes pose dangers to living things.

Animals including humans Describe the simple functions of the basic parts of the digestive system in humans. Identify the different types of teeth in humans and their simple functions. Construct and interpret a variety of food chains, identifying producers, predators and prey.

Computing:

Using LOGO, Simulations

PSHE: Health and Wellbeing

Music: The Dragon Song, learning to play the glockenspiel

Reflect, rewind and replay to include performance in the summer term production.

History:

A local history study: Skipton and Craven

- How long have people lived in Craven?
- Why is Skipton Castle in such good shape?
- What did people in Craven make and trade?
- How have villages in Craven changed?
